**RENEWED REQUEST TO DELETE ORIGINALLY ERRONEOUSLY
NAMED INVENTOR IN NONPROVISIONAL APPLICATION
DECLARATION UNDER 37 CFR § 1.48(a)**

Dear Sir:

In response to the Office communication mailed April 11, 2006 in connection with the above-identified application, Applicants renew their request to correct the inventorship of this nonprovisional application under 37 CFR § 1.48(a).

Applicants filed a request under 37 CFR § 1.48(a) to correct the inventorship and delete Robert C.U. Yu who was correctly named, without deceptive intent, as an inventor on this application. The Examiner found the initial request deficient and in particular found Mr. Yu's declaration deficient for not including an execution date, incorrectly stating that a declaration was filed on December 16, 2002, and not including the dates of other declarations filed in the application. The Examiner also found the

Application No. 10/734,380

declaration filed by the actual inventors to be deficient for not giving inventor Geoffrey Foley's full name and incorrectly giving inventor John F. Yanus' name as Jack Yanus in prior declarations. Applicants petitioned to change Mr. Foley's and Mr. Yanus' names as they appeared on the application; the Office of Petitions granted Applicants' petition in a decision mailed on March 20, 2006. In light of that decision, the Examiner reconsidered Applicants' request to correct the inventorship and again stated that the request was deficient due to deficiencies in Mr. Yu's declaration.

Applicants submit herewith a new declaration by Mr. Yu stating that he was incorrectly listed as an inventor on the present application and that his inclusion occurred without deceptive intent. The new declaration by Mr. Yu refers to the December 12, 2003, April 22, 2004, and February 11, 2005 declarations that were filed in the present nonprovisional application. The new declaration also includes the date of execution. Applicants submit that the declaration of Mr. Yu executed on April 28, 2006 and submitted herewith overcomes the deficiencies in Applicants' previous request to correct inventorship under 37 CFR § 1.48(a).

Applicants submit that in view of the documents submitted in Applicants' request for correction filed on December 21, 2005, the RCE filed February 2, 2006, the petition decision mailed on March 20, 2006, and the declaration by Mr. Yu submitted with this renewed request, the requirements to correct inventorship under 37 CFR § 1.48(a) have been satisfied. Applicants request that the Examiner accept the renewed request to correct inventorship of the present application and delete Mr. Yu as an inventor.

It is believed that no fee is due in conjunction with this response. If, however, it is determined that fees are due, authorization is hereby given for deduction of those fees, other than the issue fees, from Deposit Account No. 24-0037.

Respectfully submitted,
